

Midwest Dental has a responsibility to support those on the forefront of the COVID-19 pandemic. Effective March 18, 2020, we temporarily suspended all non-emergent and elective dental care and are prioritizing emergency procedures in our practices.

The team member presenting this letter is an employee of Midwest Dental and performs work essential to provide and/or facilitate emergency services to our patients. It is necessary for the team member to be present in our facility to perform their work and to travel to and from our facility. If there are any questions regarding their intent, our HR Department can be contacted to confirm. Their contact information is listed below.

We are deeply committed to continuing to provide vital services to our patients during this difficult time and to ensuring the safety of our team members as they do so. Thank you for your support of our efforts.
