

## **Women's Health and Cancer Rights Act (WHCRA)**

### **Annual Notice**

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedemas? Call your Plan Administrator at 1-800-826-9781 for more information.
